

Researcher / Interviewer

RosettiStarr is looking to hire researchers with experience in business reporting and conducting interviews.

RosettiStarr offers worldclass intelligence, investigations, and research. Headquartered in Washington D.C., we have a uniquely powerful perspective of the intersection of business, politics, and perception. Our work gives portfolio managers, general counsel, outside counsel, and corporate executive teams the confidence to make more informed decisions and take bold actions. We are frequently in the middle of fast-moving events and called on by decision makers to provide fact-based evidence and insights that have an immediate impact.

What You'll Do:

- Conduct outreach to and interviews with a wide range of sources to support institutional investors, law firms, corporations, and family offices.
- Collaborate with talented colleagues—including case managers, fellow researchers, and editors—in a team environment.
- Leverage your creativity to drive a project forward in the spirit of leaving no stone unturned.

Who You Are:

- You have 3 to 5 years of experience in business and/or investigative journalism; experience in due diligence and/or market research is a plus.
- You are intellectually curious and have strong critical thinking skills.
- You excel in a challenging, fast-paced environment, and are highly organized with excellent planning and time management skills.
- You are persistent and diligent in your approach, and comfortable juggling several projects at any given time.
- You are self-motivated, efficient, flexible and enjoy problem-solving.
- You have excellent communication skills and are comfortable pivoting along the way.

Salary:

The salary range for this position is \$80,000 to \$150,000 per year. This posted range reflects what we reasonably expect to pay for this role. Actual compensation may vary based on individual qualifications and experience.

How to Apply:

Please email a cover letter and resume to recruiting@rosettistarr.com. If we think you are a good fit, we will reach out to you to discuss next steps.

Unfortunately, given the large number of applications we receive for these positions, we are unable to acknowledge every application.
